\* Amounts represent total costs. LSDs who operate a fire department often sell the service to neighbouring LSDs and/or LGs. The offsetting revenue is included in Non-Tax Revenue.  
Les montants représentent les coûts totaux. Les DSL qui exploitent un service d'incendie vendent souvent le service aux DSL et/ou aux GL voisins. Les revenus qui compensent cette dépense additionnelle sont inclus dans les revenus non fiscaux.

\*\* Maximum rate for policing is \$0.2733 in 2021. Any LSDs whose costs exceed this rate receive a grant to offset the additional costs.  
Le taux maximum pour les services de police est de 0,2733 \$ en 2021. Les DSL dont les coûts dépassent ce taux reçoivent une subvention pour compenser les coûts supplémentaires.

\*\*\* Applies to owner-occupied properties only.  
S'applique uniquement aux propriétés occupées par le propriétaire.

\* Amounts represent total costs. LSDs who operate a fire department often sell the service to neighbouring LSDs and/or LGs. The offsetting revenue is included in Non-Tax Revenue. Les montants représentent les coûts totaux. Les DSL qui exploitent un service d'incendie vendent souvent le service aux DSL et/ou aux GL voisins. Les revenus qui compensent cette dépense additionnelle sont inclus dans les revenus non fiscaux.

\*\* Maximum rate for policing is \$9.2733 in 2021. Any LSDs whose costs exceed this rate receive a grant to offset the additional costs. Le taux maximum pour les services de police est de 0,2733 \$ en 2021. Les DSL dont les coûts dépassent ce taux reçoivent une subvention pour compenser les coûts supplémentaires.

\*\*\* Applies to owner-occupied properties only. S'applique uniquement aux propriétés occupées par le propriétaire.
