10. Additional Information & Documentation

To help ensure that responses are appropriately reviewed in a timely manner, we ask that all suppliers provide any additional detailed information regarding their products or services that may not be indicated in the previous sections. This additional information and documentation can be submitted, along with this form, to SPsuppliers@snb.ca

Note:

Any pricing information provided by suppliers is for general information purposes and is not intended to be binding on suppliers. Your information will be shared with the relevant departments and government entities responsible to procure COVID-19 related products for the Government of New Brunswick. We will use your personal information, like your name and email address, to contact you to clarify your answers or ask for further information.

Furthermore, this is not a procurement or tender process and shall not be construed as such; the Government of New Brunswick has no contractual or other legal obligations to the supplier with respect to the consideration, assessment, acceptance or rejection of any proposal or the failure to consider, assess or accept any proposal; and the supplier shall have no right to make any claims (in contract, tort, or otherwise) against the Government of New Brunswick with respect to the award of a contract, failure to award a contract, or failure by the Government of New Brunswick to honour any provision of the process or any response thereto.
