

2025 New Brunswick Low-Income Seniors' Benefit

GENERAL INFORMATION

To assist low-income seniors in New Brunswick, the government offers an annual benefit to qualifying applicants.

ELIGIBILITY

To qualify for the 2025 annual benefit of \$616 the applicant must have been a resident of New Brunswick on December 31, 2024, and a recipient of a benefit under the Old Age Security Act (Canada), notably:

- The Federal Guaranteed Income Supplement (GIS) during 2024 (must be 65 years or older) or
- the Federal Allowance for the Survivor during 2024 (must be between 60-64 years old) or

Important: Persons in receipt of a federal allowance who are under the age of 60 do not qualify for this benefit. Canada Pension Plan (CPP) and Survivor's pension are not qualifying benefits.

Where both spouses receive one of the OAS benefits (GIS/Allowance/Allowance for survivors) and reside in the same household, only one \$616.00 benefit will be granted. However, where spouses live separately (for example, one residing in a nursing home), both will be eligible for the benefit.
